Dear Parents and Carers

I am writing to let you know about a few things before we finish for the Easter Break.

Partnership: I would again like to thank the Partnership for their continuing hard work on behalf of us all—Thank you. After the Easter

break, the Partnership will be running some more events, so please do pop along if you would like to find out more about how you can get involved in the fun! Dates for the other events will be sent out after the Easter break

School Website:

Don't forget to look at our School Website. We update it regularly with information for both the children and parents. Our Friday celebration assemblies are certainly exciting places to be and you can keep up with all the celebrating through Dojo and Twitter. School letters and policies are also on the Website for you to have a look at.

Fundraising: We raised over £230 for Red Nose Day. Thank you so much everyone for your generosity.

Attendance: Several classes have very impressive attendance records—well done and these are celebrated in assemblies on Mondays. The class with the best attendance for the whole of the Spring Term is Mrs Muggleton's Year 6 class – well done to them. We also have 27 children who have achieved 100% attendance since September, keep it up. The Education Welfare Officer visits our school each half term to check on our children's attendance. As I mentioned in my previous

newsletter, currently our overall school attendance is less than what the Department of Education considers to be 'satisfactory' attendance. Usually we have 'good' attendance at our school, so hopefully attendance will improve throughout the remainder of the school year.

Behaviour and Discipline: We have recently reviewed this policy to reflect the way behaviour is recorded and managed at school. It is available on the school website or from the school office, early next term.

Easter Service: Thank you to those parents who attended our Easter Service. A small video is available on the school's website for those who were unable to attend.

Curriculum full of exciting events: Please follow your class twitter page or the School's @StPaulsJS for information, pictures of events as they happen both at school and our trips. We have nearly 400 followers and 2,074 tweets have been posted. Like: Examples of children's work, visitors, events,

See our website for individual class twitter pages.

Happy Easter!

See you back Tuesday 18th April

 @stpaulsJS
