

St Paul's C of E (VC) Junior School

www.stpaulsjunior Somerset.org.uk

Hello

Let me introduce myself. I am Mrs Tracey Roberts and I have recently started at St Paul's Junior School as Office Manager. It is my role to ensure the smooth running of all aspects of the School Office. I know schools are renowned for struggling to communicate effectively with parents, often leaving things 'a little late'. My aim is to improve all communication but I need your help. Please let me have your ideas. Communication is a two-way process. I am happy for you to call in and see me at drop off and pick up time.

In the 3 weeks I have been at St Paul's I have been made to feel very welcome. I have met some of your children and have been very impressed with their manners and attitude.

I hope to hear from you soon and look forward to making further improvements to St Paul's.

A warm welcome also goes to our new Year 5 teacher—Miss Kelly Symms who has taken over Amulet Class.

Open Morning

Wednesday 4th May 2016

For all prospective Year 3

parents

Jack (Year 6) and Paige (Year 4) took part in the Somerset Schools Inter Area Cross Country Race last Wednesday evening representing the Mendip Area.

Paige came in 9th and received a gold medal while Jack came in 5th in his category and received a silver medal. WELL DONE TO BOTH OF THEM !

Move to Single Year Groups.

Over the last few years we have had mixed Year 3/4 classes. Like all good teachers, staff at St Paul's work extremely hard and teach the children in their classes according to their ability, not their age. This is what good teachers do every day and is what we do at St Paul's extremely well.

However, due to our popularity within the area and class sizes now approaching over 30, the Governors and I have made the decision to create an extra class. Therefore we will move back to single year groups from September. The structure will be three classes in each year group. More details regarding your child's class will follow later this term. Children will continue to make good progress and enjoy an enriched curriculum.

When schools, parents, carers and pupils work together like we have, great progress is made during the primary years and we appreciate the strong relationships and support we have at St Paul's.
