

St Paul's C of E (VC) Junior School

www.stpaulsjuniorsonersomerset.org.uk

Hello

It's hard to believe how quickly this term has gone! The summer holidays have finally arrived although we could still do with a bit more sunshine.

We have said 'goodbye' to our Year 6 pupils who now go off to their new schools in September and start their new adventure.

Here are some reminders as to what has happened at St Paul's over the last year.

Summer BBQ

A huge 'thank you' to St Paul's Partnership for organising the annual summer BBQ last Friday.

Lots of the children joined in with "St Paul's Got Talent". Maybe we will see some of them in the real version in a few years time!

A great evening was had by all and they raised **£1722**

Mini Olympics

Congratulations to all the pupils who took part in the Mini Olympics athletics competition at Milfield School . St Paul's School came 1st!

Due to staff changes at the start of next term we have decided to restructure the school office team. This has led to a vacancy for a part-time experienced school Admin Assistant. Please e-mail Tracey Roberts if you would like further details— troberts@educ.somerset.gov.uk

All that is left is for myself and all the team at St Paul's is to wish you a lovely summer holiday. Enjoy your family time together and we look forward to seeing you on Monday 5th September.
