

July 2020

Dear Parents

### Hot School Lunches - UPDATE

From September, we will be changing our lunch supplier, instead of Whitstone School we will be using Piskula Catering.

The whole system for ordering and paying for lunches will also change as we are moving towards being a cashless school. Piskula Catering will run a 4-week rolling menu beginning with week 1. A request for lunch on a day-to-day basis will **not** now be available. A gluten and dairy free menu will also be available on request.

Those children eligible for Free School Meals will also still need to complete the menu choices via Parentmail a week in advance.

Unfortunately due to COVID 19 restrictions regarding the mixing of children we have taken the decision **not to offer hot meals for at least the first half term.**

Piskula Catering has offered to make fresh packed lunches daily for those who do not want to bring their own. I have attached a flyer with the choice of fillings to take a look at. A gluten free packed lunch can also be prepared on request.

If you wish your child to have a packed lunch, orders and payment will have to be placed a week in advance by Parentmail by the Thursday of the previous week. Meals will cost £2.40 per day, a full week will cost £12, but if you wish you can choose separate days. Payments will be made on-line via Parentmail.

Should you have any questions about the school meals then please come along to Reception and ask any member of the admin team who will be happy to help.

Best wishes

Mrs Tracey Roberts  
Business Manager
