

Have you heard this phrase before?

Have you ever been to a buffet, taken a plateful of food, but not eaten it all?

Imagine you are in a queue for the buffet, the people in front of you are putting lots of food onto their plates. On the table of food, you see 'the cake' not just an ordinary cake, but your most favourite cake in the whole world, but people are adding pieces of this cakes to their already piled high places.

**You get to the cake, but all that is left are a few crumbs. How would that make you feel?**

*What do you see?  
What do you notice?  
How do the pictures make you feel?*
